Correction to Amendment

Dear Sir:

Applicant wishes to correct two minor typographical errors in the Amendment And Response to Office Action filed on January 22, 2007. Particularly, at the top of page 2 thereof under the heading "Amendments to the Specification", the line number references are incorrect in the first two lines. They should read as follows:

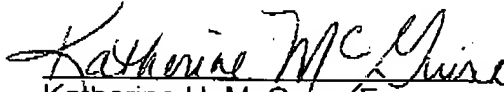

"Please replace the paragraph beginning on Column 1, line 8 and ending on Column 1, line 12 with the following paragraph:"

The paragraph immediately following is correct and includes only the addition of two periods which are underlined as required.

Should any outstanding issues remain, the Examiner is invited to telephone the undersigned to resolve the same.

Respectfully submitted,

Dated: 7-6-07
